Community Paddock.

It was recommended a letter be written to Council and to Ray Mooney Lands Department, to determine the ownership of Land near Tavern.

It was decided that because of the high rivers and late in the season, observing the waterways for Nigra Willows would be put off until next year. The Forestry helicopter was not available for long.

General Business:

Michael thanked all those who help mow and tidy the street.
Anzac was a great success with lots of positive comments.

Discussion re heavy transport on the road at School bus time.

A letter to be written to Council to see if it was feasible to put call points for heavy vehicles to call on the UHF to bring attention to any oncoming heavy transport.

This system is used with great success through the forestry in the Tumut area, and also in the North where there are road trains.

It was suggested a call point be at the beginning and end of Taemas, Mountain Creek and Cookmundoon cuttings, to try to make it safer for heavy vehicles.

Discussion re damage to River in the flood and ongoing attempts to get help to clear and repair damage.

John Parker in touch with Soil Con. and canvassing local member.

Next meeting AGM followed by General meeting 9am. 4th August 12.

Meeting close.
