Discussion re 355 Committee, there seems to be a lot unnecessary paper work, when most of the information Council already has. After much discussion it was decided that we fill out the forms required.

Rehabilitation of the Goodradigbee River after the March Flood. The general consensus was no department is really interested, and perhaps do not quite understand the amount of damage sustained in the flood. We will keep trying for funding, and hopefully will get some support sometime.

It was suggested a letter be sent to Angus Taylor outlining the damage done and little support we are receiving.

Mr. Taylor is the endorsed Liberal candidate for Hume to replace Alby Schultz.

Painting of Hall is still happening hopefully at the end of November the walls will be done, with the ceiling done at a later date.

Tennis court hire to stay as is \$10 whole day \$5. Half day. Mountain trails requested use of courts for their programme; it was moved not to charge for this use, as is for the Wee Jasper school to use the courts.

Geoff Kell will be happy to hold a night of music and dance on Sat. 2<sup>nd</sup>, Feb. 013. with Community involvement.

Next meeting. 2<sup>nd</sup> Feb. 9 am.
