Still waiting on notification from YVC and Land Dep. Re ownership.

No community work (weed eradication etc) will be partaken until this is finalized. Bill's sheep doing a pretty good job.

355 Committee,

The Community felt 355 too restrictive, invasive and condescending and over rides the true capacity of Volunteers.

Volunteers are not unpaid council workers, they work for the community in which they live to better the Community, not to be bound by Bureaucratic red tape.

It was the feeling of the meeting, the committee would rather resign.

The Meeting did not want to sign unnecessary paper work that really is irrelevant to the work the Community dose.

It was moved Council offer an alternative solution for community working Bees.

Insurance should be looked at and made more simple. moved. John Parker, Sec. Charlie Barton.
